**Office of the Energy and Water Ombudsman**  
**Notes to the Financial Statements**  
**For the Year Ended 30 June 2022**

**Note 1 – Basis of financial statement preparation**

**General Information**

These financial statements cover the Office of the Energy and Water Ombudsman trading as Energy and Water Ombudsman Queensland (EWOQ). EWOQ does not control other entities, the financial statements are for EWOQ as an individual entity.

EWOQ is an independent dispute resolution service for Queensland's energy consumers, and water customers in South East Queensland. The Office of the Energy and Water Ombudsman was established under the *Energy and Water Ombudsman Act 2006*. The principal place of business of EWOQ is 53 Albert Street Brisbane QLD 4000.

**Authorisation of financial statements for issue**

The financial statements are authorised for issue by the Energy and Water Ombudsman and the General Manager Strategy, Operations and Governance at the date of signing the Management Certificate.

**Compliance with prescribed requirements**

The financial statements have been prepared in compliance with the *Financial Accountability Act 2009* and the *Financial and Performance Management Standard 2019*.

These general purpose financial statements are prepared in accordance with the disclosure requirements of Australian Accounting Standards – Simplified Disclosures. The financial statements comply with the recognition and measurement required of all Australian Accounting Standards and Interpretations applicable to not-for-profit entities, and the presentation requirements in those standards as modified by AASB 1060.

**Underlying measurement basis**

The financial statements are prepared on an accrual basis, with the exception of the statement of cash flows which is prepared on a cash basis.

The historical cost convention is used as the measurement basis unless otherwise stated.

**Presentation matters**

Currency and rounding – Amounts included in the financial statements are in Australian dollars. Amounts are rounded to the nearest \$1,000 or, where that amount is \$500 or less, to zero, unless disclosure of the full amount is specifically required.

Comparatives – Comparative information reflects the audited 2020-21 financial statements.

Current/non-current classification – Assets are classified as 'current' where their carrying amount is expected to be realised within 12 months after the reporting date. Liabilities are classified as 'current' when they are due to be settled within 12 months after the reporting date, or EWOQ does not have an unconditional right to defer settlement to beyond 12 months after the reporting date. All other assets and liabilities are classified as non-current.

**Office of the Energy and Water Ombudsman  
Notes to the Financial Statements  
For the Year Ended 30 June 2022**

**Note 1 – Basis of financial statement preparation (continued)**

**Taxation**

The Office of the Energy and Water Ombudsman is exempted from income tax under the *Income Tax Assessment Act 1936* and is exempted from the other forms of Commonwealth taxation with the exception of Fringe Benefits Tax (FBT) and Goods and Services Tax (GST).

Receivables and payables in the balance sheet are shown inclusive of GST. GST credits receivable from, and GST payable to, the ATO at reporting date are separately recognised in receivable within Note 9.

**Key accounting estimates and judgments**

The most significant estimates and assumptions made in the preparation of the financial statements relate to the amortisation applied to intangible assets. Details set out in Note 11. The estimation of useful life has the potential to impact on the carrying amount of such assets in the next reporting period.

**New and revised accounting standards**

*First time mandatory application of Australian Accounting Standards and Interpretations*

One new accounting standard was applied for the first time in 2021-22:

- AASB 1060 *General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-For-Profit Tier 2 Entities*

*AASB 1060 General Purpose Financial Statements – Simplified Disclosures for For-Profit and Not-For-Profit Tier 2 Entities*

AASB 1060 introduces the Simplified Disclosures framework for general purpose financial statements prepared entities reporting under Tier 2 of the Differential Reporting Framework. This new disclosure framework applies to EWOQ. While most of the disclosures remain the same as 2020-21, there have been some changes by way of additional or reduced disclosures reflected in these financial statements.

The new accounting standard does not change any recognition or measurement requirements, and EWOQ's financial statements continue to comply with the recognition and measurement requirements of all applicable accounting standards and interpretations.

*Early adoption of Accounting Standards and Interpretations*

No accounting pronouncements were early adopted in the 2021-22 financial year.

*Voluntary changes in accounting policy*

No voluntary changes in accounting policies occurred during the 2021-22 financial year.

**Note 2 – Scheme fees**

	<b>2022</b>	<b>2021</b>
	<b>\$'000</b>	<b>\$'000</b>
User-pays fees	7,639	7,152
Annual participation fees	345	305
<b>Total</b>	<b>7,984</b>	<b>7,457</b>

**Accounting policy**

EWOQ is fully funded through a combination of annual participation and quarterly user-pays fees.

EWOQ invoices in advance for annual participation fees to industry scheme participants. User-pays fees are invoiced quarterly in advance based on estimated usage and then reconciled back to actuals twice a year. User-pays and annual participation fees are recognised as revenue monthly as prescribed services are performed. Payments received in advance are initially recorded as unearned revenue in Note 14.

**Note 3 – Other revenue**

	<b>2022</b>	<b>2021</b>
	<b>\$'000</b>	<b>\$'000</b>
Bank interest	21	25
Other revenue	25	8
<b>Total</b>	<b>46</b>	<b>33</b>

**Accounting policy**

EWOQ receives bank interest and is legislated to charge scheme participants interest on unpaid fees. Both of these are recognised when due.

<b>Total</b>	<b>5,713</b>	<b>5,423</b>
	<b>2022</b>	<b>2021</b>
Number of employees	41	43

The number of employees as at 30 June, including both full-time employees and part-time employees, is measured on a full-time equivalent basis.

**Accounting Policy and disclosures***Employer superannuation contributions*

Superannuation benefits are provided through either defined contribution (accumulation) plans or the Queensland Government's defined benefit plan (the former QSuper defined benefit categories now administered by the Government Division of the Australian Retirement Trust), in accordance with employees' conditions of employment and employee instructions as to superannuation plans (where applicable).

*Defined contribution plans* – Employer contributions are based on rates specified under conditions of employment. EWOQ's contributions are expensed when they become payable at each fortnightly pay period.

*Defined benefit plan* – the liability for the Queensland Government's defined benefits obligations is held on a whole-of-government basis. Employer contributions to the defined benefit plan is based on rates determined on the advice of the State Actuary. EWOQ's contributions are expensed when they become payable at each fortnightly pay period. EWOQ's obligations to the defined benefit plan is limited to those contributions paid.

**Office of the Energy and Water Ombudsman  
Notes to the Financial Statements  
For the Year Ended 30 June 2022**

**Note 4 – Employee expenses (continued)**Other employee benefits – sick leave

Prior history indicates that on average, sick leave taken each reporting period is less than the entitlement accrued. This is expected to continue in future periods. Accordingly, it is unlikely that existing accumulated entitlements will be used by employees and no liability for unused sick leave entitlements is recognised. As sick leave is non-vesting, an expense is recognised for this leave as it is taken.

Termination benefits

Termination benefits expense represent cash payments made to employees who accepted voluntary redundancies during the year.

**Note 5 – Supplies and services**

	<b>2022</b>	<b>2021</b>
	<b>\$'000</b>	<b>\$'000</b>

Printing, stationery and office supplies	39	31
Sundries	33	32
Communications	32	33
<b>Total</b>	<b>2,149</b>	<b>1,961</b>

**Accounting policy**

Supplies and Services items are recorded in the period in which the expense is incurred.

The Department of Energy and Public Works (DEPW) provides EWOQ with access to office accommodation under government-wide frameworks. These arrangements are categorised as procurement of services rather than leases because DEPW has substantive substitution rights over the assets.

EWOQ outsources corporate support services.

**Accounting policy**

Trade debtors are recognised at the amounts due at the time of invoicing on a quarterly basis to scheme participants or when invoices are issued based on scheme participant's additional use of EWOQ's services above amounts paid in advance. Settlement terms are within 14 days from receipt date for scheme participants, within 30 days from invoice date for others.

The collectability of receivables is assessed periodically with provision being made for expected credit losses. The loss allowance is estimated based on the probability and timing of potential defaults and takes into account forecasts of future economic conditions as well as past events. No provision for impairment was necessary at year end.

**Accounting policy**Asset acquisition

Actual cost is used for the initial recording of all non-current physical asset acquisitions. Cost is determined as the value given as consideration plus costs incidental to the acquisition, including all other costs incurred in getting the assets ready for use, including architects' fees and engineering design fees. However, any training costs are expensed as incurred.

Where assets are received free of charge from another Queensland public sector entity (usually via an involuntary transfer), the acquisition cost is recognised as the gross carrying amount in the books of the transferor immediately prior to the transfer together with any accumulated depreciated.

Assets acquired at no cost or for nominal consideration, other than from an involuntary transfer from another Queensland government agency, recognised at their fair value at date of acquisition in accordance with AASB 116 *Property, Plant and Equipment*.

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense.

Recognition of Plant and Equipment

Items of plant and equipment with a cost or other value equal to or in excess of the following thresholds are recognised for financial reporting purposes in the year of acquisition:

Plant and equipment                      \$5,000

Items of lesser value are expensed in the year of acquisition. Expenditure is only capitalised if it increases the service potential or useful life of an existing asset. Maintenance expenditure that merely restores original potential (arising from ordinary wear and tear etc.) is expensed.

**Office of the Energy and Water Ombudsman  
Notes to the Financial Statements  
For the Year Ended 30 June 2022**

**Note 10 – Plant and equipment and depreciation expense (continued)**

Measurement of plant and equipment at cost

Plant and equipment is measured at cost in accordance with the Non-Current Asset Policies.

Impairment

All non-current physical assets are assessed for indicators of impairment on an annual basis. If an indicator of possible impairment exists, EWOQ determines the asset's recoverable amount. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss.

Depreciation

Plant and equipment are depreciated on a straight-line basis over its estimated useful life to EWOQ. Reassessments of useful lives are undertaken annually by EWOQ. Any consequential adjustments to remaining life estimates are implemented prospectively.

The following depreciation rates were used:

Plant and equipment    12.5–20%

Any expenditure that increases the original assessed capacity or service potential of an asset is capitalised and the new depreciable amount is depreciated over the remaining useful life of the asset to EWOQ.

## INDEPENDENT AUDITOR'S REPORT

To the Office of the Energy and Water Ombudsman

### Report on the audit of the financial report

#### Opinion

I have audited the accompanying financial report of the Office of the Energy and Water Ombudsman.

In my opinion, the financial report:

- a) gives a true and fair view of the entity's financial position as at 30 June 2022, and its financial performance and cash flows for the year then ended
- b) complies with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards – Simplified Disclosures.

The financial report comprises the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including summaries of significant accounting policies and other explanatory information, and the management certificate.

#### Basis for opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Responsibilities of the entity for the financial report

The Office is responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards – Simplified Disclosures, and for such internal control as the Office determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The Office is also responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless it is intended to abolish the entity or to otherwise cease operations.

### **Auditor's responsibilities for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. This is not done for the purpose of expressing an opinion on the effectiveness of the entity's internal controls but allows me to express an opinion on compliance with prescribed requirements.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the entity.
- Conclude on the appropriateness of the entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. I base my conclusions on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Office regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

**Statement**

In accordance with s.40 of the *Auditor-General Act 2009*, for the year ended 30 June 2022:

- a) I received all the information and explanations I required.
- b) I consider that, the prescribed requirements in relation to the establishment and keeping of accounts were complied with in all material respects.

**Prescribed requirements scope**

The prescribed requirements for the establishment and keeping of accounts are contained in the *Financial Accountability Act 2009*, any other Act and the Financial and Performance Management Standard 2019. The applicable requirements include those for keeping financial records that correctly record and explain the entity’s transactions and account balances to enable the preparation of a true and fair financial report.
